**OK to recommission my boat after: (date) \_\_\_\_\_ (3 week advance notice please)**

Recommission INCLUDES, when applicable, engine(s), generator systems, water systems, head systems, a/c systems, seawater wash down, shaft coolers, transmission oil coolers, visual inspection of transmissions, sea strainers and seacocks.

1. Unless we have special instructions, after recommissioning, we will leave the shore power cords as we found them, turn the batteries off and leave the battery charger/converter off. Premier Boat Sales and Service is not responsible for dead or low batteries..
2. All agreements are scheduled on a first come, first serve basis. It is recommended to schedule recommissioning as soon as possible. Premier Boat Sales and Service recommends a minimum of 3 weeks advance notice and **CANNOT** guarantee any service date requested.
3. **Rates quoted below are for LABOR ONLY unless specified otherwise! Parts, materials, shop supplies and taxes are additional.**
4. Water must be available on the dock at time of recommissioning to flush out water system. Power must be available on dock at time of recommissioning to operate lifts and check a/c operation. Most batteries will need to be charged before using your boat, which is owners responsibility.
5. **We will come to your home or private dock for an additional service call charge. Minimum service charge is \$78.00 regardless of distance from marina.**
